Rice Rice Baby is a staff favourite for when we cater for events or celebrations. The food is delicious, and the amazing menu offers something for everyone. We are repeat customers as it is so easy to order and the service is always spot on.

Meg Snowdon

Every month, Zespri hosts a Social Club lunch with various catered meals, and Rice Rice Baby is by far our most requested option. Their menu offers a fantastic variety, accommodating all dietary needs. They are consistently a pleasure to work with—always punctual, incredibly friendly, and professional. And, of course, the food is exceptional. I highly recommend Rice Rice Baby for any catering needs.

I have used Rice Rice Baby numerous times catering for staff functions at work and also for personal catering. The food is absolutely amazing and I cannot fault the wonderful, friendly service I have received each time. Nothing is ever too much trouble! I can't recommend them enough! If you are wanting a Vietnamese cuisine experience you won't be disappointed!

I've used Rice Rice Baby to cater for late night filming and photoshoots several times now. No other local company was prepared to accommodate a 9pm collection time. All the models loved the food so I've used them every time since!

Daniel Hight

Lysaght, Partner and Engineering Team Leader

We had the Rice Rice Baby food truck cater our Lysaght Christmas Party. The truck rolled up, plugged in, and the team were straight into serving delicious food for the duration of the evening. We loved all of it and will have them back as soon as we can!
